Meeting minutes

Minutes were read by Brian T and were accepted.

Treasury report was read by Frank R

November Income \$332.23 Consisted of 2 new members joining, Daniel M and David P.

A donation by Lauren K. November expenses consisted of \$85 web hosting fee. \$53.22 food for the October Fun Fly and \$57.54 for October food. Monthly balance increased by \$136.47

Field Maintenance

Batteries were taken out of the field charge station. The manufacture date was 2022. 2 deep cycle marine batteries power the station. Will need to determine if the batteries will perform another season of service. Estimated price per battery is \$130

Stabil was added to the gas tank on the mower and run. It appears that the mower has a oil leak. The weather station will need a new battery, that will be installed next season.

Club sign on the storage shed will be fixed by adding plexiglass to cover and protect the sign from the elements.

Safety Committee

Jim P did not have any safety issue at the field.

Old Business

Holiday party will be held on 12/13 at Russel's BBQ restaurant. If you have not replied with your RSVP, please complete the survey. The club will provide soft drinks and appetizers. If you plan to bring a guest, please include their name on the survey.

New Business

2026 board elections were completed, your existing board members will server another year.

Monthly Raffle

Tony won a set of magnets

Nisanth won a tube of thread lock

Show and Tell

Nisanth brought in his FMS F-86 Saber jet. It flies on a 4S 450 mah lipo
He gets a 2 minute flight. He bought it on sale for \$144 It has full telemetry.

Show and Tell

Brian T brought in a plane purchased at a swap meet earlier this year. It's electric, 4 channels, extremely light weight. Appears to have been built from a kit, it does not show the tell tale signs of a Asian ARF, stamped or laser cut lite ply.

Next Meeting

The next meeting will be held on December 13, 2025. Meeting will be held at Russel's BBQ.
